Hi Conrado and Misty,

Please note the above production company is filming at the Old Security building on 8/11 with prep posting on 8/10 as well as the filming date of 8/11:

B/S OF AVE.56ST., FIGUEROA 200' WEST  
N/S FIGUEROA ST., 200' IN FRONT OF 5601 N FIGUEROA ST,

They are also using half of lot 635, 42 spaces.

A community survey is in the works and I let this company know about the sensitivity of this area as well as past issues we've had here so they are well prepared.

There will be a monitor as well as LAPD-SECD officer on site.

Here is the contact I've been dealing with:
